TASTING NOTES:

Mastiha (28% ABV)

Handcrafted with distillate of mastiha resin from the unique mastiha trees on Chios island. An elegant nose with subtle lavender and coconut notes with the unique Mastic smell being prevalent. Soft and sweet on the palate with a hint of bitterness followed by a refreshing Mastic aftertaste.

Tentura (24% ABV)

Natural extraction of cinnamon, clove, nutmeg, citrus. An old school liqueur from a harbour town since the 15th century enters a new age. Hints of sweetness with a spicy; cinnamon scent. A rich and lush earthy taste with a sweet peppermint and french vanilla feel; a sense of a sweet 'cigar box' cedary aftertaste.

Herb Spirit (30% ABV)

Natural extraction of diktamo, a special herb from Crete, with vanilla pods, liquorice root, extracts of nutmeg nuts and other special herbs. On the nose there is a peaty richness contrasted with herbal freshness. On the palate there is a pleasant combination of herbs with a fruity subtleness. It gives a firm and gently bitter mouthfeel, mimicking the sense of a 'sweet velvet' texture.

Rakomelo (24% ABV)

Grape pomace distillate with natural honey, blended with cinnamon and clove buds. The complete absence of sugar and the sweetness of honey create a one of a kind blend. Strong and flamboyant, fruity and slightly nutty smell with 'spirity' notes on the nose. Naturally sweet & honeyed. Subtle presence of spices with a delicate mouthfeel.
